Student Self-Assessment Critique

Describe, analyze, and interpret your piece using critique vocabulary from the elements and principals or art. Do use “I like”, or “I don’t like” phrases. **USE COMPLETE SENTENCES.**

1. What stands out the most when you first look at your piece?

2. Explain the reason you notice the thing you mention in number 1. Use elements and principles of art to describe the artwork

3. Explain the most prominent element of your piece (i.e. texture, value, line). Give a specific example.

4. Explain how the studied technique(s) worked or did not work in the assignment?

5. What would you do to improve this artwork? Keep in mind all artists can use improvement.
