

Lantern Project

Ceramics • Mrs. Estoch

Name: _____

Research ceramic lanterns. Find lantern designs that you find interesting. Lanterns must have a lid, fire box and base.

Draw three different lantern shapes you have liked during your research

Look at your ideas...Would you combine any of these elements? Which ones?

Draw your final ideas for your design and use color. **Show detail and draw neatly.** This idea will be used for your project.

Describe your process that you will use to build your lantern (step by step)... _____
