Draw three ideas for various lid, handle and foot shapes

Three empty rectangular boxes arranged horizontally, intended for drawing three different ideas for lid, handle, and foot shapes.

Draw three ideas for the patterns and colors of your piece (**close up detail**)

Three empty rectangular boxes arranged horizontally, intended for drawing three different ideas for the patterns and colors of the piece, specifically close-up details.

Consider your findings above...Would you combine any of these elements into one design? Which ones?

Draw your final ideas for your design and use color. **Show detail and draw neatly.** This idea will be used for your project and for final grading.

What technique(s) will you use? (Slab, coil, pinch, wheel, combination) _____
